Another decent entry saw a firm trade throughout. The stronger cattle just a shade back with the dropping beef trade again this week but the younger cattle extremely dear and very well sold.
A mixed show of short-term steers on offer with the best still well sold but a shade back trading around £2000 (320 - 330p/kg) topping at £2235 (324p/kg) for a Limousin from M/s Bybrook Farm, Lower Stanton St Quinton. Strong Friesian steer sold to £2150 (314p/kg) from P E King (Bristol) Ltd, Iron Acton with their British Blue's to £2020 (324p/kg). A few lesser breed sorts saw the most resistance between £1650 - £1750 (295 – 315p/kg).

The stronger, medium-term heifers traded between £1750 - £1850 (310 – 330p/kg) with the next level still a decent trade between £1550 - £1650 (320 – 330p/kg generally).
