Foreword: Today’s final sale at Longmans Barn brings to a close The Pargeter families residence at this incredible location. We have had the pleasure of conducting a number of sales here for the late John and Jeanne Pargeter and today’s sale includes the remaining agricultural equipment, a fine range of stone troughs and the contents of John and Jeanne’s farmhouse giving buyers the opportunity to acquire an item or two with some Longmans provenance and perhaps a memory of John and Jeanne.

Method and Order of Sale: Commencing outside at Lot 1 promptly at 2pm with workshop sundries and agricultural equipment followed by stone troughs and then the household effects. Purchasers will be able to view the contents of the farmhouse up until the start of that part of the sale after which the house will be closed off and its contents sold from outside and off of this catalogue which is accurately lotted. Purchasers will only then be able to return into the house with a receipted invoice to collect goods. There is no seating for the household part of the sale, buyers are advised to bring a portable chair with them if required.

VAT: No VAT, except VAT at 20% on the buyer’s premium.

Viewing Arrangements: Due to the short notice of sale viewing of the household items and outside effects can be undertaken between 4pm and 7pm on Thursday, 14th September. If you cannot attend the sale on the Friday commission bid forms will be available to complete. Entry to the house will strictly be only from 4 pm. No alternative viewing times, apart from sale day will be available.

Buyers Premium: Will be charged at 10% on all household items. No buyer’s premium on the agricultural items.

Payment Terms: Strictly on day of sale, cash, card or cheque with valid banker’s card and further proof of identification if not known to the Auctioneers.

Warning – Parking: Longmans Barn sits upon steep banks and car parking is difficult at the site. Parking will be made available for all vehicles however access for Lorries is not viable and should be avoided – collection of larger items can be made on the weekend.
