327 STORE CATTLE

11.30 am - Auctioneers: Jon Pullin & Chris Voyce
Avg: Steers £841 (197p/kg), Heifers £781 (187p/kg)

A good, pleasing entry of mostly farming cattle with not too much strength on offer. In over 60 years of selling cattle it was probably the dearest trade Arthur White had ever seen he commented and you have to see them sold to appreciate how dear the cattle are. As in previous weeks the best stronger cattle seem the cheapest in comparison with the lesser & younger sorts just getting dearer & dearer.

The stronger farming steers met a very good trade with the better sorts traded over £1100 (195 - 220p/kg) topping at £1245 (207p/kg) for a Hereford steer from M/s J W Emmerson & Son, Coln St Aldwyns.

The mid age cattle Continental steers were again £1000 - £1100 (195 - 220p/kg) with the younger & lesser sorts £850 - £1000 (200 - 220p/kg). The farming native breed steers continue to sell exceptionally well between £1000 - £1050 (210 - 240p/kg).

The Friesian's steers were lacking in strength selling to a top of £845 (150p/kg) for average steers from M/s J & A Livall, Highworth. The rest were all medium & lesser sorts between £450 - £700 (135 - 150p/kg).

Some good strong quality Continental heifers on offer sold extremely well trading between £1080 - £1150 (180 - 205p/kg) topping at £1190 (216p/kg) for Charolais' from M/s R & B Kimber, Christian Malford. The good farming sorts were £900 - £1000 (190 - 210p/kg). The native breeds saw a top of £995 (171p/kg) for a Hereford from M/s Shorten & Evans, Newent. with the stronger farming sorts £905 - £950 (175 - 190p/kg).

A good show of weaned calves saw mostly Aberdeen Angus on offer. Steers (10 - 13mths) to £1022 (227p/kg) & £925 (205p/kg) from Mr P Cuthbert, Minsterworth, (11 - 13mths) to £1078 (236p/kg) & £1070 (235p/kg) from M/s Owlpen Park Farms, Owlpen. (7 - 8mths) to £735 (233p/kg) from Mr G Potheary, Cricklade & (10 - 12mths) to £932 (251p/kg) & £852 (233p/kg) from Mr T Paton, Fairford with his heifers to £710 (197p/kg).

Cracking Limousin steers (9 - 10mths) sold to £848 (226p/kg) from M/s F & S Robins, Two Bridges.

14 BREEDING BULLS & GRAZING COWS

11.30 am - Auctioneer: Jon Pullin

A few nice bulls on offer saw a pedigree Hereford (65mths) to £1200 from M/s Harrow Farm, Elmstone Hardwicke & £1100 (30mths) & £870 (18mths) from M/s J Emmerson & Son, Coln St Aldwyns. A pedigree Charolais (21mths) sold to £1500 from Mr P Maher, The Leigh & young pedigree Blonde bulls sold to £1115 & £1080 from M/s G Maidment & Son, Cleverton. Simmental grazing cows sold to £1055 (141p/kg) & £1020 (147p/kg) from M/s R & R James, Brinkworth.

1034 PRIME HOGGETTS

Auctioneer: Chris Voyce

Hoggett SQQ 219.8p/kg Overall Average 216.8p/kg

Good to see a decent number forward again but quality is definitely struggling with the entry mostly of poorer bred or leaner sorts reflected in the averages. An exceptional trade especially if you saw what was on offer with the better shaped & good meat hoggs 228 – 235p/kg topping at 239p/kg £105 for 44kg from Mr R Foote. The general hoggs were well sold for quality between 212 – 220p/kg. No real top heavy hoggets on offer as in previous weeks with very few good real meat sorts either with the few better sheep trading between £108 - £112 with the general sorts £104 - £108.

One pen of spring lambs sold to £100 for 39½kg from C Genillard.
