## FEBRUARY ONLINE COLLECTIVE SALE RESULTS

Our first online collective sale of the year was a great success with 160 lots entered, including 10x tractors, 4x vehicles/4x4, a quantity of trailers, farm machinery and livestock equipment, all selling to a competitive trade throughout. Prices achieved were again well in excess of vendors expectations. We also had a number of entries of fodder, which unfortunately met a tougher audience with there being little demand due to the amount that was produced last year and this winters weather meaning that supply has not been heavily used. The top items from the sale included:

Richard Western SF16HS Silage Trailer (2018) - £17,500  
Richard Western SF16HS Silage Trailer (2017) - £16,500

Massey Ferguson 362 4wd Tractor - £11,100
