ONLINE MACHINERY SALE RESULTS JANUARY – MARCH 2024

What a start to 2024 we have had with our online machinery sales, in which we have offered over 800 lots for sale, with over £900,000 changing hands. With there being now over 4,000 registered buyers, and with 500 new buyers since the start of the year, coming from across the whole of the UK and Northern Ireland to buy the quality items that we have had for sale.

These online sales have worked well for both our collective and the dispersal sales we have undertaken so far this year, in particular where the weather conditions have meant that a live sale was impossible without large areas of hard standing for parking.

D G Guest Dispersal

Our latest sale was on behalf of D G Guest, Chepstow who offered 53 quality lots for sale, with a number of the big ticket items going to purchasers outside the local area. Top value lots from the sale included:
